

PROGRAM AT:

**LWML Washington-Alaska
District Convention**

June 15 - 17, 2018

A great program for multicultural women in your congregation who have never attended a district convention. *Heart to Heart Sisters* is designed to help introduce our sisters to LWML, and show how they can be a part of this great community of women.

If you or someone you know would like to attend just fill out a **Heart to Heart Sisters** Information Form and register for the Convention!
