LWML Representative

Angelina Jauregui, Vice President of Gospel Outreach, was introduced to LWML by her mother, Juanita, who considered LWML one of the most rewarding experiences of her short life. Juanita suffered greatly from heart health issues which took her life at the age of 47, leaving 13 children, the youngest only five years old. Angelina never forgot her mother's dedication to her joyful service in support of missions to share Jesus with a world of great need.

Angelina worked 40 years with Los Angeles County Department of Public Social Services in various departments, serving the last 10 years as an information systems analyst. Her home congregation is St. John's Lutheran Church in Montebello, California, where she serves her church as the executive director.

Angelina and her husband David married four years ago and enjoy family activities with their large family. Angelina has one daughter, two sons, one granddaughter, and three grandsons. David has two daughters, one son, four granddaughters, and one grandson.
