

## CONVENTION TOTE BAGS

Recycling! We recycle paper, plastic, glass, aluminum cans, motor oil, cell phones and ink jet cartridges.

NOW it is time to recycle LWML Tote Bags!

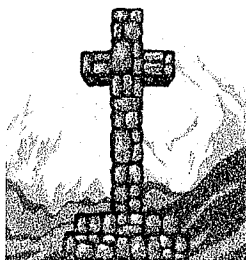

Each repeat conventioneer is asked to bring two or more LWML tote bags – one for herself and the others to share. The extra tote bags will be given to first timers or go home with our missionary guests Rev. Claude and Rhoda Houge from Kenya.

## CONTEST

Do you have the oldest LWML tote bag?

Bring it to the convention and be awarded a prize.
