Your Mites Journey

Mite Offerings (Mites) are collected at local LWML group meetings (and congregations) each month by your group's Treasurer.

The Treasurer deposits the Mites and sends a check to the WA-AK Financial Secretary.

The Financial Secretary deposits these checks from around our district into the WA-AK District bank account. The District Treasurer oversees this account.

The remaining 75% of total
Mites stay in our district to fulfill

The District Treasurer forwards 25% of the total Mites to the National LWML Mites Treasury.

These Mites are used to fulfill national LWML mission grants in the amount of \$2,622,270 as approved at the 2025 LWML Convention in Omaha for the 2025-2027 Biennium. In May 2025, zone presidents voted and the new slate of 33 missions was approved at LWML Convention.

Mites stay in our district to fulfill WA-AK District mission goals. At our 2024 LWML WA-AK District Convention in Everett, WA-AK district mission grants totaling \$80,000 were approved for the 2024-2026 biennium.

As soon as funds are available through your mite donations and after 25% of total mites are sent to the national Mites
Treasury, checks are made out by the District Treasurer and sent to the recipients of District Mission Grants as voted on by our 2024 District Convention.

The Mission Field!
