

LWML Washington-Alaska District Convention

Ruby River Hotel
Spokane, WA

July 10-12, 2026

Bring Your Bags

For this convention, please bring your own favorite convention tote bag (from any LWML convention) to hold information you received from registration, the convention manual, information from exhibitors, and other items.

Since the cost of putting a convention together has increased significantly the Convention Committee thought it best to recycle our old tote bags. You can share stories with old friends and new friends on why the convention tote bag you are using is your favorite one.

We do need gently used convention bags to give to our first-timers at our LWML Washington-Alaska Convention and anyone else who forgot to bring one. Donated convention tote bags need to be clean, and no name written on them. You can give them to your Zone President or any LWML district personnel before our convention begins on July 10, 2026. You can also bring them to the convention before 2 p.m. Friday, July 10, 2026 and drop them off at the Registration table.
